

Devil's Kiss

Lyrics : Skye & Johnny Compose : Skye & Paul Arrangement : WENDY

You got a devil's kiss you put me in a cage.
Like a butterfly stuck in a spiderweb
She's chasing and we're raising.

Broken heels like a fairytale,
nothing left my heart is on a rail
Sweet but deadly gotta chaise me
wow I gotta runaway

Devil's kiss, on my lips, its fucking crazy
Lock the door. off your cloths
Lets get crazy
Devil's Kiss

Top to the bottom and turn it around
Long hair sexy dancing around
Holly shit, I'm in it, Wow I gotta runaway

Devil's kiss, on my lips, its fucking crazy
Lock the door. off your cloths
Lets get crazy
Devil's Kiss

She keeps on coming

Devil's kiss, on my lips, its fucking crazy
Lock the door. off your cloths
Lets get crazy
Devil's Kiss
