

Addicted

Lyrics : Skye Compose : Skye Arrangement : WENDY

I'm going crazy
can't get her out of my head

Now I'm affected
To your body I'm slave

No matter what she's mine
I got my life on the line
Her love is One of a kind

Woh
I'm a fool for her
She's the reason why I breath

Woh
I'm a fool for her
She's all I won't and all I need

She brings me to my knees
My heart is skipping beats
I might not admit but I'm addicted

Her sex is like a drug
We click like a clutch
I might not admit but I'm addicted to her

We're going crazy
Every night is a ride

I can't resist it
Every time we kiss

It doesn't stop us there
We take it all the way
It ends with me In you

Woh
I'm a fool for her
She's the reason why I breath

Woh
I'm a fool for her
She's all I won't and all I need

She brings me to my knees
My heart is skipping beats
I might not admit but I'm addicted

Her sex is like a drug
We click like a clutch
I might not admit but I'm addicted

No matter what she's mine I got my life on the line
Her love is one of a kind

No matter what she's mine I got my life on the line
Her love is one of a kind

She brings me to my knees
My heart is skipping beats
I might not admit but I'm addicted

Her sex is like a drug
We click like a clutch
I might not admit but I'm addicted to her

I'm addicted to her
I'm addicted to her
